Policy/Procedure #: 28
Effective: January 1, 2013

Service to Individuals Not Residing in the Area

Priority for training services will be given to residents of the Southwest Georgia area for adult, youth, and dislocated worker registrants. Services for dislocated workers will also be given to employees of companies whose place of employment is/was within the Southwest Georgia service area. Informational and core services will be available to all customers regardless of residence. Residents of other service areas that desire training services, unless dislocated workers, as stated above will be referred to the LWDA in their area.
