

Are you unemployed or under employed?

Have you been laid off?

You may be eligible for Career or Training services available through the WIOA Program. What is WIOA? The Workforce Innovation and Opportunity Act is designed to help job seekers access employment, supportive services, and training or education to re-enter and succeed in the labor market.

- Career services may include career exploration, job search assistance and/or placement assistance.
- Training services to an “IN DEMAND” career may be offered to suitable individuals who have not been able to attain or retain employment.

It is our goal to help you make the most informed decision possible. WorkSource Southwest Georgia WIOA staff will help you find the best option to reach your career goals.

Call or visit your local WorkSource Southwest Georgia Office!
